

There

The article

By Lars and Felix

# In general

-three German articles:

der, die, das

-one English article: the

# Uses of the definite article

-you don't use it when you talk about people and things in general

-"the" shows that you describe people and things in a more detailed way

→ These rules are also for institutions, transport (like bus), months, days or meals (like breakfast)

# Examples

A close-up photograph of a hand giving a thumbs up gesture. The hand is light-skinned and appears to be wearing a dark-colored sleeve. The thumb is extended upwards, and the other fingers are curled into a fist. The background is a plain, light gray color.

The house is green

The cows are fat

# A and an

-A before consonants

-An before vowels

-A is used like in German

-A and an always stand before  
adjectives

# Examples

A close-up photograph of a hand giving a thumbs up gesture. The thumb is pointing upwards and slightly to the right. The hand is light-skinned and appears to be wearing a dark-colored sleeve. The background is a plain, light gray color.

An apple

A barbie

A wonderful girl

Thank you for your attention !

:-)

The end is near!
